

Introducing legacy mentors

Cornwall Partnership
NHS Foundation Trust

Legacy mentors are available to support and can help to develop newly appointed staff and newly qualified professionals in practice by offering:

- mentoring
- coaching
- pastoral support
- professional guidance

Email cft.legacymentor@nhs.net

Legacy mentors provide support to the NHS organisations, as well as private, voluntary and independent healthcare providers across Cornwall.

For information about how we might support newly appointed or newly qualified staff in your organisation, get in touch.
